Professor Urgunge Onon, Urgunge Onon : The Secret History of the Mongols: The Life and Times of Chinggis Khan before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret History of the Mongols: The Life and Times of Chinggis Khan:

0 of 0 people found the following review helpful. Decent history. Very specific and correct.By E. ThaxtonDecent history. Very specific and correct.1 of 1 people found the following review helpful. Five StarsBy Hans KramerExcellent translation. The History is hard to follow but worth the effort0 of 3 people found the following review helpful. Five StarsBy stefano magaddinoA great cross -reference

There has long been a need for a scholarly English edition of the great 13th century historical epic, The Secret History

of the Mongols, the only surviving Mongol source about the empire. The book is mainly about the life and the career of Chinggis Khan, his ancestors and his rise to power. Chinggis Khan was not only a military genius, but also a great statesman and diplomat. Through a combination of armed force and diplomacy, he managed to merge the complex system of alliances which existed between diverse tribes into a powerful confederacy that swept across most of Eurasia, starting in 1219. Urgunge Onon's fresh translation brings out the excitement of this epic with its wide-ranging commentaries on military and social conditions, religion and philosophy, while remaining faithful to the original text. This fully annotated edition is prefaced by a 36 page introduction setting the work in its cultural and historical context.

'An outstanding achievement.' - A. Hrelbaatar Inner Asia
