It helped me to read my Bible with more understanding of the culture Jesus was born into. It helped me gain more insight into the teachings of Jesus in the

Bible. The Gospels have come alive! I recommend every Christian, who truly loves the appearing of the Lord Jesus Christ, to get a copy. You will experience the joy of learning how everything in the Bible points to the plan of redemption that our loving Heavenly Father has for us. I wondered about the Jewish Festivals as a follower of the Messiah Yahshua. This book told me so much about the Festivals and being a follower of the Messiah we should follow the Festivals. You will find out roughly when the Messiah was born and during what Festival and alot more. I Highly Recommend this book if your searching for the truth it will help you in your search and why he command us to keep these Festivals. You can continue following the Constantine religion of today that everyone follows or you can start looking for the TRUTH. This book will help you find that and get closer to HaShem. One of the most fascinating, yet probably one of the least understood, topics in the Bible is that of the feasts listed in Leviticus. In a step-by-step examination of each festival, you will learn foundational truths and the prophetic connections to Jesus' first and second comings. This book will give tremendous insight into your personal relationship with God!
