Kate de Medeiros : The Short Guide to Aging and Gerontology (Short Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Short Guide to Aging and Gerontology (Short Guides):

The Short Guide to Aging and Gerontology provides a concise and authoritative overview of key issues related to age,

including how old age has been viewed historically and across cultures, what we know about health and function in later life, and how older age is financed throughout the world, among other questions. Also including current research on policy and practice and detailed suggestions for further reading, it is an important resource both for anyone new to gerontology as well as established scholars and practitioners in the field.

This compact, focused guide is perfect for students and others new to the field of gerontology.
