Li Song : The Sister Rice Festival (Chinese Festival Culture Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sister Rice Festival (Chinese Festival Culture Series):

'The Sister Rice Festival' is a big day for the Miao people in China, when one ethnic group exchanges gifts and bids well-wishes. It is a rich and diverse ethnic minority festival, which is away from the mainstream of more popular Chinese festivals. This book - written as an English-Chinese bilingual text - introduces in detail the origin and traditions of this special festival. The book also presents many epic legends and touching stories behind 'The Sister

Rice Festival.' (Series: Chinese Festival Culture) [Subject: Anthropology, Chinese Studies, Asian Studies, Cultural Studies, Ethnic Studies]
