A Woman for All SeasonsBy Gramma GretchenMost fascinating . . . of course, anything written about her is because she is one of the most unique people of any age! However, the fact that it was copied from original materials with really interesting photographs made it that much more edifying!2 of 2 people found the following review helpful. heart the love of knowledge and the hate of ignorance and darknessBy windi jordan"The Story of My Life" is replete with scenes of perseverance, heart the love of knowledge and the hate of ignorance and darkness. Did Not Know this Was a Large Print EditionBy Smart Shopper 1I only speak for the print used in this edition, which I did not realize is large print. If large type is what you prefer, then buy this book. If you are expecting a conventional size of print, however, then look for another edition.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
