Miho Iwakuma : The Struggle to Belong: Stepping into the World of the Disabled (Communication, Comparative Cultures, and Civilizations) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Struggle to Belong: Stepping into the World of the Disabled (Communication, Comparative

Cultures, and Civilizations):

This book bridges gaps among disability, culture, and communication and it offers the reader a rare glimpse of a world of people with disabilities in which their identity transformations, communication tactics as the disabled, or adjustment to new bodies, including temporal and spatial senses emerge. This book is informative for health professionals or students of communication, sociology, disability studies, cultural studies, or medical anthropology who wish to explore disability from a social science perspective
