**Franco Ferracuti, Marvin E. Wolfgang : The Subculture of Violence: Towards an Integrated Theory in Criminology** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Subculture of Violence: Towards an Integrated Theory in Criminology:

Tavistock Press was established as a co-operative venture between the Tavistock Institute and Routledge Kegan Paul (RKP) in the 1950s to produce a series of major contributions across the social sciences. This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print, or are difficult to locate. Published by Routledge, 112 volumes in total are being brought together under the name The International Behavioural and

Social Sciences Library: Classics from the Tavistock Press. Reproduced here in facsimile, this volume was originally published in 1967 and is available individually. The collection is also available in a number of themed mini-sets of between 5 and 13 volumes, or as a complete collection.
