Editors of Chase's Calendar of Events : The Teachers Calendar 2011-2012 (Teacher's Calendar: The Day-By-Day Directory to Holidays, Historic Events, Birthdays Special Days) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Teachers Calendar 2011-2012 (Teacher's Calendar: The Day-By-Day Directory to Holidays, Historic Events, Birthdays Special Days):

5 of 5 people found the following review helpful. Excellent Resource By Beth Walz I am not a teacher but I love holidays and the significance of days (especially in history). This book is a wonderful resource to help celebrate each day and understand the world in a more intimate light on a day by day basis. Its a good book for a parent or anyone

who just likes to appreciate each day and upcoming events and holidays. 5 of 6 people found the following review helpful. A Reference by Another Name By Lady Dragon I have used The Teacher's Calendar for many years in my library. The sad thing is I no longer have a library and students to use it. I will be part of a State Libraries Conference this October and will be sharing this wonderful reference in my presentation and how I have used them over the years.

"A must-have for K-8 teachers and librarians!"--School Library Journal The Teacher's Calendar offers you unique facts, important holidays, and major anniversaries in a handy day-by-day calendar format.
