Marc Allen : The Ten Percent Solution: Simple Steps to Improve Our Lives and Our World before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ten Percent Solution: Simple Steps to Improve Our Lives and Our World:

This potentially life-changing book challenges readers to find solutions to the problems that confront them individually and globally. Marc Allen offers simple, doable solutions to both personal financial problems and global problems. Key to many of these solutions is both saving and giving away 10 percent of ones income, also known as tithing. By taking the kinds of actions recommended in this book, individuals cannot only achieve financial security but can contribute substantially to a better world.
