Stephen N. Ndegwa : The Two Faces of Civil Society: NGOs and Politics in Africa (Kumarian Press Books on International Development) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Two Faces of Civil Society: NGOs and Politics in Africa (Kumarian Press Books on International

Development):

A comparative study of two Kenyan NGOs demonstrates the different roles organizations can assume in the context of contemporary African politics.

"We learn about the processes through which two Kenyan organizations have mobilized grassroots support, affected state-community relations, and contributed to the demands for democratic change in Kenya."
