From University of Illinois Press : The Web of Violence: From Interpersonal to Global before purchasing it in order to gage whether or not it would be worth my time, and all praised The Web of Violence: From Interpersonal to Global:

"This collection stands as an excellent representation of the interdisciplinary thrust of peace studies. The macro-micro links are made imaginatively and over a wide range of topical areas." -- Paul Joseph, Tufts University

From the Back Cover 'The Web of Violence' explores the interrelationship among personal, collective, national, and global levels of violence. This unique collection brings together a number of internationally known contributors to address the genesis and manifestations of violence in the search for a remedy for this confounding social problem.
