1 of 1 people found the following review helpful. Outstanding resources for teachers and librariansBy Carol Simon LevinEach year, Judy Freeman prepares a handbook to accompany her "Winners" presentation recommending the 100

best children's books published the previous year and this volume is incredible. In addition to being an invaluable guide to the "must-read share with children" books of the year, it is chock full of ideas to use with those books, Reader's Theater scripts, songs, teacher's guides, great book quizzes, templates, activity sheets and more. It is nothing short of invigorating -- I can't wait to use these activities with kids!--Carol Levin, Youth Services Librarian
