W. C. Madden : The Women of the All-American Girls Professional Baseball League: A Biographical Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Women of the All-American Girls Professional Baseball League: A Biographical Dictionary:

0 of 0 people found the following review helpful. Women In Baseball? You Bet!By Bob CromptonThis book covers, in detal, the forgotten side of baseball.....women! The women's league, picked up the American morale, during

WWII, while most men were fighting in foreign countries. See the glamour side of the fast ball, curve ball, the home runs, and oh, lets not forget the slides, in skirts! The book has allot of pics, stats, and recalls the memories, of women's professional baseball. Great book!4 of 4 people found the following review helpful. Finally getting the list of AAGPBL players right!By By Mark BraunHere's your copy, pilgrim, of the book that lists the players and all of the stuff of researchers of the "League of their own" and a great reference book for any library, public or private. I've used it more than expected and recommend it as my primary source for All American Girls Professional Baseball players. Several other SABR members have it, as well and I haven't heard a single bad word yet. Well done!Mark BraunOld Timers' Baseball Association of Chicago

Fills an information gap--Booklist/RBB; This is the most comprehensive look ever at the players of this women's league. Over 600 players are profiled.

"Madden has identified more than six hundred...women...there is no other reference work comparable...public, school, and academic libraries will want to acquire" -- Reference User Services Quarterly"Madden honors the women who played" -- Booklist/RBB"a considerable amount of information" -- Nine"an excellent resource and an enjoyable book to read...can be recommended for both circulating and reference collections in public and academic libraries as well as women's studies and sports collections" -- ARBA"comprehensive" -- Sports Collectors Digest"excellent" -- Choice"fascinating" -- VOYAAbout the AuthorW.C. Madden is a member of the Society for American Baseball Research and the author of The All-American Girls Professional Baseball League Record Book: Comprehensive Hitting, Fielding and Pitching Statistics (2000, \$35).
