Don Nardo : The Women's Movement (World History Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Women's Movement (World History Series):

Books in the World History series examine the eras, events, civilizations, and movements that have shaped human history, providing readers with insight into the past and its many legacies.; ; Vivid writing, full-color photographs and extensive use of fully cited primary and secondary source quotations provide a sense of immediacy. Sidebars, visual time lines, indexes, and annotated bibliographies, which appear in every volume, offer a wealth o
