This is a great introduction to a man whose wisdom and faith inspired generations.By Edd AndersonI hope at sometime to be able to read everything he wrote and understood his Thesis for his Doctorate is worth the read.For me this volume sits with my prayer books and picking this volume up will sure to bring back a memory or inspire to work for a better World.The photo on the back of dust jacket shows a picture of Ghandi behind Dr. King and if you get no further than reading the quote under that photo, you will gain an
