From Routledge : Therapeutic Activities With the Impaired Elderly before purchasing it in order to gage whether or not it would be worth my time, and all praised Therapeutic Activities With the Impaired Elderly:

This highly practical volume presents valuable insights for all professionals who provide activities for the impaired elderly. It will serve as a helpful resource for both those who work directly with the aged in institutional settings, as well for those who train activities counselors. Therapeutic Activities With the Impaired Elderly addresses a number of pertinent issues and provides useful information on designing and implementing recreation and socialization programs, memory improvement classes, sign language activities, and leisure education and counseling.
