From ABC-CLIO : They Eat That?: A Cultural Encyclopedia of Weird and Exotic Food from around the World before purchasing it in order to gage whether or not it would be worth my time, and all praised They Eat That?: A Cultural Encyclopedia of Weird and Exotic Food from around the World:

3 of 5 people found the following review helpful. Great deal!By Alydia Camille Sims TctcThis was purchased with a particular multicultural assignment in mind and I must admit that it's a great deal for the money! Our students are

going to sue this one a lot!

This thoroughly engaging encyclopedia considers the rich diversity of unfamiliar foods eaten around the world. Approximately 100 entries A representative recipe for each entry Photographs and drawings Suggested readings for each entry Alphabetical and geographical lists of entries A selected bibliography

"They Eat That? is informative, fascinating and an accessible reference tool, and great fun to browse. And even if readers cannot be tempted to try any of the outlandish hors d'oeuvres, this entertaining encyclopedia is guaranteed to expand their knowledge of world cultures and food fads!" - Reference s "This is a very interesting reference book. . . . Recommended. Lower-division undergraduates and above; general readers." - Choice "This book will appeal to curious connoisseurs and may also appeal to reference browsers looking for something different and to the occasional person looking for the gross-out factor. It is also recommended for adventurous chefs, both professional and amateur." - Library Journal "They Eat That? is an introduction to cuisines and dishes that readers might encounter as they travel around the world or into the side streets of the cities where they live. . . . Recommended for most libraries with an interest in the unusual." - Booklist About the Author Jonathan Deutsch, PhD, is associate professor of culinary arts at Kingsborough Community College, Brooklyn, NY, and assistant professor of public health at The City University of New York Graduate Center, New York, NY. Natalya Murakhver holds a master's degree in food studies from New York University and has written about food for several magazines.
