Sandor Hervey, Ian Higgins : Thinking French Translation (Thinking Translation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Thinking French Translation (Thinking Translation):

1 of 1 people found the following review helpful. Answers to hard questions By R. O'Donnell No matter how much French you took in school, translating French into English is often challenging. This book takes on those challenges, removes doubts and inspires confidence. For example, literal vs. figurative translations are compared. The book carefully distinguishes the specific issues connected with the translation of legal texts, poetry and literature among many other genre. The merits of this book are too abundant to be mentioned here - get a copy and see for yourself. 0 of

0 people found the following review helpful. Great!By Robert DunlapI like it. Very nice.0 of 0 people found the following review helpful. CourseworkBy CarolineUsed this in a French Translation class and the book pretty much explains everything you need to know... the rest really depends on your professor. Wish it was cheaper on

The new edition of this popular course in translation from French into English offers a challenging practical approach to the acquisition of translation skills, with clear explanations of the theoretical issues involved. A variety of translation issues are considered including: *cultural differences*register and dialect*genre*revision and editing. The course now covers texts from a wide range of sources, including: *journalism and literature*commercial, legal and technical texts*songs and recorded interviews. This is essential reading for advanced undergraduates and postgraduate students of French on translation courses. The book will also appeal to wide range of language students and tutors. A tutors' handbook offering invaluable guidance on how to use the text is available for free download at <http://www.routledge.com/cw/thinkingtranslation/>

'Thinking French Translation is one of the most exciting courses produced for second and third-year undergraduates.' - Modern Languages JournalLanguage NotesText: English, FrenchAbout the AuthorSndor Hervey was Reader in Linguistics at the University of St Andrews. Ian Higgins is Honorary Senior Lecturer in French at the University of St Andrews.
