Linda G. Mills : Violent Partners: A Breakthrough Plan for Ending the Cycle of Abuse before purchasing it in order to gage whether or not it would be worth my time, and all praised Violent Partners: A Breakthrough Plan for Ending the Cycle of Abuse:

0 of 0 people found the following review helpful. This book is fantastic and everyone should read itBy JenniferThis

book is fantastic and everyone should read it. Buy it now. Read it as soon as you get it. It will change your perspective on Domestic Violence and Family Conflict. Linda Mills is phenomenal and the book is gripping from the beginning. 1 of 1 people found the following review helpful. perfectBy KenniThe book came fast in the mail and is exactly as described. As far as the context the text is very insightful and though provoking. The personal case stories are captivating and heart wrenching at times. This book really gives another perspective on domestic violence and how our society handles it. 1 of 1 people found the following review helpful. Excellent source of informationBy VelveteenaExcellent source of information about domestic and intimate partner violence with a combination of thoughtfulness and a thorough academic view. The writer explores fields ignored by most authors on the subject and really contributes a holistic approach to these situations. Highly recommended!

In this groundbreaking book, Linda Millsfeminist, scholar, activist, and survivorchallenges the prevailing orthodoxies and maps out a plan to change domestic abuse treatment programs. Drawing on case studies and research from her abuse prevention programs, Mills reveals that intimate abuse is far more complex than we realize, and develops a program for healing that engages everyone caught up in a violent dynamic. Essential reading for therapists, couples, public health experts, and members of the criminal justice system, *Violent Partners* outlines a breakthrough approach to a major social problem.

Lawrence W. Sherman, Wolfson Professor of Criminology, Cambridge University Linda Mills is the indispensable guide to solving the problems of domestic violence. No one can enter the policy debate on these issues in an informed way without reading her eye-opening and rigorous analyses. Ms. Magazine A heartfelt view of how forgiveness can be a tool of empowerment and healing. Midwest Book Any general-interest or health library needs this. New York Law Journal An excellent read featuring numerous case studies, research and analysis, and stories that lead the reader on a journey from ignoring DV issues to where we are todayto an alternative way of attempting to end the cycle of abuse. Metapsychology online *Violent Partners* has lessons for each of us in rethinking violence contexts and admitting our individual contributions to the aggressions that befall us in our daily lives. An excellent read for any audience! Psychiatric Services Even if one does not agree with Mills theoretical focus, one can still find some intriguing clinical possibilities in her systemic approach to healing violent relationships.
