Penny Ur : Vocabulary Activities with CD-ROM (Cambridge Handbooks for Language Teachers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vocabulary Activities with CD-ROM (Cambridge Handbooks for Language Teachers):

0 of 0 people found the following review helpful. A great bookBy J. DukerThis is a fabulous book for any ESL teacher. There are important and interesting activities for any level of student, and the accompanying CD makes

printing the handouts a cinch.0 of 0 people found the following review helpful. No TitleBy YBMust have TESOL resource.0 of 1 people found the following review helpful. outstanding resourceBy Carolyn SteinhoffPenny Ur is brilliant. Her learning activities are based on sound theory, and they are imaginatively designed to result in optimal learning and enjoyment. I have taught ESL adults for a number of years, and her books are the best I have found by far.

Vocabulary Activities provides a wealth of ideas for introducing, presenting, expanding, exploring and practising vocabulary. These teacher-friendly activities are clearly written and wide-ranging, and the book also contains a detailed guidelines section outlining the key principles involved in teaching and practising vocabulary. Also contains an extra chapter of activities for advanced learners. The accompanying CD-ROM contains print-ready materials which can be put to immediate use in class.
