M. E. D'Imperio : Voynich Manuscript an Elegant Enigma: An Elegant Enigma (Cryptographic Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Voynich Manuscript an Elegant Enigma: An Elegant Enigma (Cryptographic Series):

0 of 0 people found the following review helpful. The best studyBy MR PIERRE JEANOne of the best studies on the mysterious Voynich manuscript. Must be read by every person interested by this puzzle.80 of 82 people found the following review helpful. The canonical starting point for the Voynich researcherBy A CustomerD'Imperio, a cryptographer, collected and summarized all previous research on the Voynich manuscript in 1978. Sometimes dubbed the "most mysterious manuscript in the world," the Voynich Manuscript (VMS) was written at least 300 years ago (no one is sure quite when) in a fantastic unknown script, in an unknown language, by an unknown author. Given the

strange illustrations (duplicated in this book) present in the VMS, it could contain secrets of astrology, alchemy, or ancient herbal knowledge. Now, thanks to the internet, a concerted effort to "crack" the message has been born, and D'Imperio's monograph has become the bible of serious researchers and hobbyists alike. Full of references and historical data related to the VMS, this work is a must for anyone interested in mysterious history and culture, alchemy, or cryptography. 7 of 7 people found the following review helpful. The ultimate start for Voynich Manuscript students. By W. Gillissen Anyone who is interested in the Voynich Manuscript should start reading this book. It gives a very thorough overview of the history and scholars who studied the enigma and various aspects of adjacent subjects. Mrs Mary d'Imperio also gives her own very considerate views. Her writing style is most pleasant and very clear. This study is a must for any VM adept! Pim Gillissen, Amsterdam. Netherlands.

This is surely the most comprehensive and scholarly study of the Voynich Manuscript. An essential text for anyone studying this mysterious document.
