From Zed Books : War Or Health?: A Reader before purchasing it in order to gage whether or not it would be worth my time, and all praised War Or Health?: A Reader:

This comprehensive reader of 70 specially commissioned essays provides an unusually wide-ranging examination of the connection between warfare and human health and society. Contributors look at the changing character of wars and their effects on civilization, the medical and health aspects of different types of weapons, the changing roles of health

professionals in war. the arms trade, social tensions, the media, theories of violence, and war as a social institution.
