before purchasing it in order to gauge whether or not it would be worth my time, and all praised Webster's New World German Dictionary: German/English English/German:

8 of 8 people found the following review helpful. so if you're studying German you'll be sorely disappointed in this dictionary
By HPaulI am giving this book one star as a warning: If you're an English speaker this is not the dictionary for you. It only gives pronunciation in the English-German section, i.e., it tells you how to pronounce the English words! It's obviously written for German speakers. No pronunciation is given for German words in this dictionary, so if you're studying German you'll be sorely disappointed in this dictionary. Strange that does not warn of this deficit.
0 of 0 people found the following review helpful. Cracked Cover
By Brian JohnsonI don't have much to say other than it is helpful for what it is made for (of course). I'm a native English speaker learning German. I already know a lot of German pronunciation already, so I don't need those helps, but sometimes it would be nice to have them, which this does not have. My only complaint so far with it is that it came with the plastic back cover cracked. It's not a big problem, but I think they should've packaged it more carefully because if I were someone more critical of the quality of the book rather than its contents, I'd be very upset
0 of 0 people found the following review helpful. Weighty, but good!!
By CustomerKeep in mind this is a very thick and heavy dictionary.(about 4 inches) I cut the English part away and made it into a separate book. I use the German part all the time...and by taping a cardboard back to it, I find it very good. I like the print being larger and the text under each word is great!!

Compiled in collaboration with a team of expert linguists, the Webster's New World concise bilingual dictionaries are the perfect choice for beginning students and advanced speakers as well. Comprehensive and authoritative (yet clear and concise), the dictionaries offer a full array of features. Long-standing favorites in hardcover, the dictionaries will continue to be standard references for years to come.

From the Back Cover
Webster's New World German Dictionary: German/English - English/German Concise Edition
The combination of extensive coverage and outstanding clarity, simplicity and economy makes this dictionary ideal for home, school and office use.
Extensive Coverage?The most frequently used words in both languages are detailed, helping the user to understand and to translate idiomatically.
Examples of Usage?Thousands of phrases show how the meanings of words can vary in different contexts.
Special Features?Other aids include pronunciation guides comprehensive German verb tables and full treatment of English phrasal verbs.
