**Elgin L. Hushbeck, Jr. : What is Wrong with Social Justice** before purchasing it in order to gage whether or not it would be worth my time, and all praised What is Wrong with Social Justice:

0 of 0 people found the following review helpful. I thoroughly enjoyed and appreciated this work and applaud him for it. By Rev. Dr. Bob LaRochelle While my perspective on many of these issues differs from Mr. Hushbeck, I thoroughly enjoyed and appreciated this work and applaud him for it. He writes with an intelligence, sincerity and logic that challenges those of us who support the concept of social justice to reflect deeply upon our arguments. Mr. Hushbeck and I discussed these matters on a You Tube presentation currently available by accessing Energon Publication's

YOU TUBE channel-

What could possibly be wrong with social justice? We like justice. We are social beings. Should not our communities be just ones? Author Elgin Hushbeck, Jr. maintains that social justice is not justice. When we pursue social justice, it is at the expense of true justice and in its pursuit of equality, social justice threatens liberty. It is a case of setting contradictory and incompatible goals. Hushbeck examines our current pursuit of social justice and how it has failed, while looking also at the scriptures we use in that pursuit and how we have misunderstood them. While we should care about our neighbors and find ways to ease the plight of the poor, social justice's emphasis on redistribution is not only often unjust but it actually makes things worse. His prescription? Pursue justice and liberty without any adjectives.

About the Author Elgin L. Hushbeck, Jr. is an author, engineer, small business owner, educator, lecturer, and family man. There is a common thread throughout his activities: He is an evangelical Christian. Elgin is the author of Preserving Democracy, Christianity and Secularism, and Evidence for the Bible. He approaches the topic of this Line Drives volume from both the perspective of a Christian apologist, interested in how we should act as Christians in society, and as a citizen actively involved in the politics of his country. He blogs at [hushbeck.com](http://hushbeck.com).
