By CustomerA great work on predation in urban settings from one of the nations premier hellholes... Baltimore!!! This is an update of an earlier addition that includes a wonderful afterword by Mescaline Franklin.

A Forever Autumn Press Book In When You're Food, James LaFond elevates the art of extreme political incorrectness to its uncomfortable apogee in this very personal exploration of human-on-human predation in Baltimore Maryland. Engaging urban survival guide, brutal oral history and outrageous memoir, this disturbing book makes the case that civilization is a lie, human society is essentially cannibalistic, and you are on the menu.
