C. Wright Mills : White Collar: The American Middle Classes (Galaxy Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised White Collar: The American Middle Classes (Galaxy Books):

0 of 0 people found the following review helpful. Four StarsBy CustomerThis is pretty worn but is still in tact and able to be read again.0 of 0 people found the following review helpful. Good snapshot of the middle classes in the 1940sBy

W. Andrew Arnold Good snapshot of the middle classes in the 1940s. A discussion of trends in class, status and work that continue till today. 1 of 2 people found the following review helpful. We clearly haven't come very far. By Robert Brett Curtiss An incredible and readable book that has not lost any of its relevancy or insight in the over half century since it was written.

A penetrating sociological and psychological study of the new middle class that comprise the backbone of modern American society.
