Warren This book gives a more insightful understanding of the betrayal of the African People's revolution. I hadn't realized that so much of the

betrayal was done by our own people. Dr. Clarke lets no one off the hook in this very interesting writing of African history. I would like to add that a deeper and more thorough understanding can be found in Kwame Nkrumah's; "Africa Must Unite". C. E. Warren 0 of 0 people found the following review helpful.
