**Dave Perry : Winning in One-designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning in One-designs:

0 of 0 people found the following review helpful. Very good explanations on some basic and complex situationsBy DaveGI've read this book a couple times. And will continue to use it every winter to get ready for the season. Very good explanations on some basic and complex situations. Would have given 5 stars except a bit too much reach mark stuff. We haven't done that in 20 years.0 of 0 people found the following review helpful. Hands down, read it! Skip

Stuart Walker's books ...By Huy NHands down, read it! Skip Stuart Walker's books. Written by an experienced sailor and coach with real world sailing experience!0 of 0 people found the following review helpful. Good book to furthers one ...By jGood book to furthers one sailing techniques. Informative on the understanding of true sailboat racing. Best to have racing history before attempting this book writing. Not for beginners or those with limited experience.

Long considered one of the best books about sailboat racing by competitive racers around the world, Dave Perry's *Winning in One Designs* covers every aspect of racing. Perry explains in detail how to sail fast, reduce mistakes and make use of the most advanced tactics from start to finish. Perry's expert advice, clear and often humorous explanations, and numerous tips, offer invaluable instruction to sailors at all levels of competition and in all sizes of boats, whether racing one-design or handicap.

About the AuthorDave Perry is an All-American sailor, champion racer, coach and teacher as well as a US SAILING Senior Certified Judge and member of the U.S. Appeals Committee.
