Edna Barth : Witches, pumpkins, and grinning ghosts;: The story of Halloween symbols before purchasing it in order to gage whether or not it would be worth my time, and all praised Witches, pumpkins, and grinning ghosts;: The story of Halloween symbols:

1 of 1 people found the following review helpful. A favorite from my childhood....By A.W.This book was in my elementary school library (when it wasn't checked out by me!). It was one of the first nonfiction books I remember reading, and I really loved it.It's a great introduction to the study of folklore and tradition, written in a lively style for the independent reader. While some of the "facts" may not hold up in light of current scholarship, I still think it's the best book on the subject for the 3rd through 5th grader.

Explains the origins of and relates stories associated with familiar Halloween symbols.
