**Marilyn Loy Every : Women and the Liberating Journey of Aging: Awakening Fire in the Heart** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Women and the Liberating Journey of Aging: Awakening Fire in the Heart:

Re-envisioning the cultural paradigm of aging for maturing women. How can you shift toward a more positive and inspiring view of aging? How will you choose to live into the latter years of your life in meaningful ways? What exciting choices are you making to create a fulfilling journey in the years to come? Metaphorically speaking, how can you light a fire in your heart, and dance in the transforming heat of your one beautiful, incredible maturing life until your last breath? Marilyn Loy Every provides thought-provoking impetus for women to imagine integrating the Four Paths of Sagessence into their lives through the Fire of Authenticity, the Fire of Passion, the Fire of Compassion, and the Fire of Vision. She inspires the reader to imagine their role as a sage by honoring their personal story as valuable, empowering, and rich with wisdom. The reader is encouraged to envision ways to positively transform views that have been culturally limiting for the maturing woman. If you are a woman interested in re-defining your future as an aging woman, take the amazing journey with *Women and the Liberating Journey of Aging-Awakening Fire in the Heart*. Discover your own unique wisdom, visualize your life journey as truly extraordinary and ignite your potential to live an even more dynamic life!
