Colette Browne, Collette V. Browne : Women, Feminism, and Aging (Springer Series, Focus on Women) before purchasing it in order to gage whether or not it would be worth my time, and all praised Women, Feminism, and Aging (Springer Series, Focus on Women):

0 of 0 people found the following review helpful. conceptually and analytically superbBy A CustomerProfessor Browne offers extremely valuable, original work. Hopefully other scholars, and indeed policy makers at every level, will follow her lead and take up this important area for further discussion and ultimately, action.

...a volume of the Focus on Women series, outlining a new vision for understanding older women and their place in society...reconceptualizes what growing older can mean to women.
