<http://www.seniorwomen.com/ca/cw/07/cult041907.html> "Women In Congress 1917-2006 is an impressive book There are many stories in this book, both individual and collective. ... Even the appendices disclose intriguing tidbits This is not a bedtime reading or a beach book, but it is more than a research volume. Elegantly designed and modestly priced for a book this big, it's also a suitable graduation present for an ambitious young woman. Getting it might give her a few ideas about what she can aspire to."
