From Pace University Press : Women in the Milieu of Leonard and Virginia Woolf: Peace Politics and Education before purchasing it in order to gage whether or not it would be worth my time, and all praised Women in the Milieu of Leonard and Virginia Woolf: Peace Politics and Education:

Copublished with Pace University Press, this book is a valuable addition to scholarship on Bloomsbury, the history of women in Britain, and the work of Leonard and Virginia Woolf. It portrays an era and illuminates the work of a number of famous writers by examining less well-known lives and works that were part of the adaptive complex, or milieu. Several essays and appendices contribute significantly to our understanding of the extent that the Woolfs collaborated with each other and with others. Beside the literary histories of S.P. Rosenbaum, this collection of original essays will be essential reading for students of Bloomsbury and women's history. Illustrated.

...was an absorbing collection of essays, which helps to set Woolf's feminism and pacifism in a carefully researched context of the work of often forgotten women workers for these two causes. Woolf herself would have appreciated the book... (Julia Briggs CHOICE)...situates the debates about the importance of the socialist and pacifist vision of Leonard and Virginia Woolf on solid historical ground...confirms the view of [them]...as the serious and committed English public intellectuals they really were. (Jane Marcus, CUNY Graduate Center and The City College of New York CHOICE)...the volume has an excellent preface and an impressive select bibliography...opens up fruitful materials for future scholarship on the Woolfs. J.E.Steiner, Drew University, (CHOICE)"...the volume has an excellent preface and an impressive select bibliography...opens up fruitful materials for future scholarship on the Woolfs."
