5 of 5 people found the following review helpful. Women of AwakeningsBy A CustomerThis book is a well put together. It contains well written biographies of many women in different areas of service and walks of life. I am reading it for a college course and I enjoy its material so much. Each biography is well detailed and most have a picture of the person the biography is on. It is one that will stay in my library. Buy it today and get a message from the Lord as well. Learn how He not only works in our lives today but has in the the past.

The personal stories of fourteen great women of God and their commitment to the cause of Christ.
