John Algeo, Carmen A. Butcher : Workbook: Problems for Algeo/Butcher's The Origins and Development of the English Language, 7th before purchasing it in order to gage whether or not it would be worth my time, and all praised Workbook: Problems for Algeo/Butcher's The Origins and Development of the English Language, 7th:

0 of 0 people found the following review helpful. Get the hard copy, not the digitalBy Mallory KellyDifficult workbook questions, but they really help you to master the material. Very few errors. DEFINITELY get a hard copy, though. I have a digital version and it's difficult to work with. You want a book you can write in. Worth the money to avoid digital, and I don't say that for textbooks often.

This companion to THE ORIGINS AND DEVELOPMENT OF THE ENGLISH LANGUAGE supplements and

enhances material presented in the main textbook. Expanded coverage of some topics and chapter-by-chapter exercises help students master text material. A wide variety of topics, problems, and data gives instructors ample material for class discussion. The wealth of information in this workbook invites selective use and assistance with many aspects of the subject that a student may find challenging. Students can answer review questions that ensure their comprehension, they can analyze data that expands and applies their understanding, and they can work on enrichment exercises that, for example, help them become thoroughly familiar with the OXFORD ENGLISH DICTIONARY.

About the Author John Algeo is Professor Emeritus of English at the University of Georgia. He is past president of the American Dialect Society, the Dictionary Society of North America, and the American Name Society. He was an associate editor of the OXFORD COMPANION TO THE ENGLISH LANGUAGE and editor of Volume 6 of the CAMBRIDGE HISTORY OF THE ENGLISH LANGUAGE: ENGLISH IN NORTH AMERICA. He was a Fulbright Senior Research Scholar and a Guggenheim Fellow at University College London and is author of the 2006 Cambridge book BRITISH OR AMERICAN ENGLISH? A HANDBOOK OF WORD AND GRAMMAR PATTERNS. Carmen Acevedo Butcher is Professor of English and Scholar-in-Residence at Shorter University. A Carnegie Foundation Professor of the Year for Georgia, she also received a President's Award for Excellence in Teaching and Scholarship. She taught graduate- and undergraduate-level linguistics as a Fulbright Senior Lecturer at Sogang University in Seoul, South Korea, and was a Fulbright Scholar at University College London. She also studied at Ruprecht-Karls Universitt Heidelberg as a Rotary International Graduate Scholar. She has served as a commentator for Georgia Public Broadcasting and authored several books on medieval literature, Christian mystics, and linguistics. Her translation of THE CLOUD OF UNKNOWING received the 46th annual Georgia Author of the Year award, the oldest literary award in the Southeastern United States.
