**Jason D Mycoff : Working with Political Science Research Methods: Problem and Exercises** before purchasing it in order to gage whether or not it would be worth my time, and all praised Working with Political Science Research Methods: Problem and Exercises:

0 of 0 people found the following review helpful. Four StarsBy ROSEgood6 of 7 people found the following review helpful. AWFULBy CustomerFilled with mistakes, mislabeled figures, and incomprehensible questions - even more confusing and painful than the book it accompanies. I beg you - if you are teaching a course in PS Research DO NOT USE THIS TORTURE DEVICE - you are likely to face open rebellion among your students.

The new third edition of Working with Political Science Research Methods continues to support student learning by offering the perfect opportunity to practice each of the methods presented in the core text. Designed to be paired with

the text chapter for chapter, the workbook breaks out each aspect of the research process into manageable parts and features new exercises and updated data sets. A solutions manual with answers to the workbook is available to adopters.

About the Author Jason D. Mycoff is assistant professor of political science and international relations at the University of Delaware. He is the author (with Joseph A. Pika) of *Confrontation and Compromise: Presidential and Congressional Leadership, 2001-2006*.
