MaynardUsed this for my research on female heads of household living in poverty...very valuable as a source. Informative to agencies who are interested in teh fate of their small areas. if you do not understand poverty, you will never be able to reduce it....0 of 0 people found the following review helpful. AwesomeBy JutsingerAwesome. This

was a great book. You can find the author on youtube as well discussint he book in more detail.0 of 1 people found the following review helpful. Good readBy Thelma L JamesA gift for my mother, who said it was well written, insightful, and timely, and that she was glad to add it to her library.

This work takes us to three remote rural areas in the USA to hear the tales of the residents - the poor, the rich, and those in between - as they talk about their families, work, hard times, and their hopes. It provides an insight into the dynamics of poverty, politics and community change.
