From Brand: SAGE Publications, Inc : Worlds of Difference: Inequality in the Aging Experience before purchasing it in order to gage whether or not it would be worth my time, and all praised Worlds of Difference: Inequality in the Aging Experience:

0 of 0 people found the following review helpful. okBy S. GarciaThe stories in it are cool and really interesting but honestly it is overpriced and should not be the textbook for a class. The intro to each part does an okay job with looking at each aspect of aging through a sociological lens but it is very basic knowledge and somewhat redundant.0 of 0 people found the following review helpful. Three StarsBy ChinitaUsed for a college course. Book came in a fair condition and the price was fair too.0 of 0 people found the following review helpful. Five StarsBy King CAgreat book

This collection of readings presents a variety of perspectives on ageing from different communities across the United

States: Native American, Puerto Rican, African American, the elderly homeless, white working class, gay and Mexican amongst many others. The readings cover topics such as: life course; social and psychological contexts of ageing; paid and unpaid activity; the American family; and health.
