of Gender: The Archaeology of Women's Lives Around the Globe (Gender and Archaeology):

Part IV of Nelson's *Handbook of Gender in Archaeology* (2006). Examines the archaeology of women's lives and activities around the globe.

This volume is one of the most important studies of gender and archaeology. The diversity of themes covered is extremely impressive, reflecting the extent to which knowledge of gender and archaeology has evolved since the earliest works in the field were published. Researchers and students alike will find in this book a fascinating insight into the research being undertaken in different regions of the world, past and present. (Stephanie Moser, University of Southampton) About the Author Sarah Milledge Nelson is John Evans Professor of Archaeology at the University of Denver. She edited the *Handbook of Gender in Archaeology* from which this text is adapted.
