Dorothy Zemach, Lynn Stafford-Yilmaz : Writers at Work: The Essay Student's Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Writers at Work: The Essay Student's Book:

5 of 5 people found the following review helpful. Great book form learning writingBy DeeThis books is mainly for beginners. It is a great book to train your writing skills because it goes step by step. Each chapter has a part for editing. There is also basic sentence grammar, and the book offers different themes that you write about. The themes center about events from daily life. So, you can surely train your skills without having to having to attaining content about a subject.3 of 3 people found the following review helpful. Good Book and Good SeriesBy Ace OfbaseI have used three of the books in the Writers at Work series for academic IEP courses, and I like all of them. The chapters are topical, and they teach grammar that relates to the topic. One huge thing they are missing is activities with verb tenses, but I can usually supplement enough with outside activities.0 of 0 people found the following review helpful. Good bookBy JBI purchased the book for my writing class. Good book, good price. Clean book, excellent condition. I will

recommend the seller my friends. Thanks

The Writers at Work series prepares ESL students to tackle academic writing. This book teaches the basics of academic essay writing to intermediate-level students.
