Fred Pyszczak : Writing Empirical Research Reports: A Basic Guide for Students of the Social and Behavioral Sciences before purchasing it in order to gage whether or not it would be worth my time, and all praised Writing Empirical Research Reports: A Basic Guide for Students of the Social and Behavioral Sciences:

0 of 0 people found the following review helpful. Exactly what you needBy PriscillaIt's a great book for a guide when you are writing a report. It goes in great detail everything you should consider when writing a report. Sometimes it can get a little confusing in how you have to read a paragraph, not know what they are referring to and then read the example below it to understand the previous paragraph explaining what was going on. This breaks my train of thought, and often I have to read the example and re-read the previous paragraph to understand what they are trying to discuss.0

of 0 people found the following review helpful. Researcher of the year. By Customer About to write some damn good research. Ask about me. 0 of 0 people found the following review helpful. Another great book for CJ majors By Bebe Mer Another great book for CJ majors, legal and political science majors or graduates alike. The book contains rich content and how to conduct research reports, analyze the data and much more! Its a great investment.
