**H. L. Goodall Jr. : Writing the New Ethnography (Ethnographic Alternatives)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Writing the New Ethnography (Ethnographic Alternatives):

0 of 0 people found the following review helpful. Great book for anthropology and sociology students. By American Women Online Loved this book, straight and very detailed but very understandable throughout. Some aspects I didn't agree with and prefer to mix old style with newer. Covers ethics quite well. 1 of 1 people found the following review

helpful. Great Book if.....By NMCXThis is a great book for individuals interested in Ethnography. I found the book interesting and I really appreciated the fact that there is a Kindle version. I travel very frequently so I can't carry regular books without it being a hassle. Good book.2 of 2 people found the following review helpful. A great book!By CustomerThis is a great book to use in both graduate and undergraduate Ethnography courses. I've used it in my courses every year since it was released in 2000.

Writing the New Ethnography provides a foundational understanding of the writing processes associated with composing new forms of qualitative writing in the social sciences. Goodall's distinctive style will engage and energize students, offering them provocative advice and exercises for turning qualitative data and field notes into compelling representations of social life.

Everyone who writes ethnography, old and new, should read Writing the New Ethnography. The book demystifies the writing process in a very honest way, and I know I'll require it the next time I teach my ethnography class. (Nick Trujillo, (California State University, Sacramento))About the AuthorH. L. Goodall is Professor and Head of the Hugh Downs School of Communication at Arizona State University. He is the author or co-author of 17 books including his groundbreaking ethnographic trilogy: *Casing a Promised Land*, *Living in the Rock n' Roll Mystery* and *Divine Signs: Connecting Spirit to Community*.
