Wolcott becomes one's friend in just a few short pages, if the goal is to learn how to approach qualitative research writing. His conversational and humorous tone establish confidence and hope for those of us struggling to complete that last "LITTLE" paper at the end of our terminal degree work. Recommended highly.

Written in an accessible style, this volume tackles the topics of beginning to write, continuing to write, editing and getting published. It is indispensable not only to qualitative researchers but to anyone engaged in social research for whom the link between conducting research and writing it up seems more like an obstacle than an opportunity.

About the Author Harry F. Wolcott (Ph.D. Stanford) taught at the University of Oregon, serving on both the faculties of education and anthropology. He authored several ethnographic texts that included his experiences among the Kwakiutl Indians of British Columbia and with the African Beer Gardens of Bulawayo, Rhodesia, as well on ethnographic method and on writing itself, with a focus on qualitative research. His publications included: *Transforming Qualitative Data* (SAGE 1994); *Art of Fieldwork* (2nd ed., Altamira Press 2005); *Ethnography: A Way of Seeing* (2nd ed., Altamira Press 2008); *Writing Up Qualitative Research* (3rd ed., SAGE 2009); *Sneaky Kid and Its Aftermath: Ethics and Intimacy in Fieldwork* (Altamira 2002), and *Ethnography Lessons: A Primer* (Left Coast Press, 2010).
