Lenore T. Szuchman, Barbara Thomlison : Writing with Style: APA Style for Social Work before purchasing it in order to gage whether or not it would be worth my time, and all praised Writing with Style: APA Style for Social Work:

0 of 0 people found the following review helpful. Quality DeliveredBy Jessica K. McAleerFetched at a great price and delivered very quickly. Thank you!1 of 1 people found the following review helpful. very good tool for writing APA styleBy LescaThis book is pretty good, I have to refer to this book many time over. I wish it came in hardback, the cover is a little flimsy but the info inside the book is very helpful10 of 11 people found the following review helpful. RedundantBy LynnI have experience writing in APA style formatting, and already have the APA Style manual yet all

the professors in my Social Work program said this book was specific to social work and necessary. I don't know if they are getting kick-backs - but it's not specific and it's not necessary. I will add that if you don't have the full APA style manual and you are in Social Work, this is less cumbersome than the APA manual. So, it wasn't necessary for me - but it might be for you!

Learn to prepare professional literature with **WRITING WITH STYLE: APA STYLE FOR SOCIAL WORK**. The authors' easy "learning through modeling" method guides you through the writing process step by step. Sample outlines, title pages, abstract pages and a handy built-in Appendix are included in the text for easy reference.

"I will be using this text every year in both my undergraduate and graduate research classes this text is a great resource for writing research papers." "There is no other text that is as comprehensive as this one for teaching writing skills and introducing APA concepts." About the Author Lenore T. Szuchman, Ph.D., Florida International University, is a developmental psychologist and Professor Emerita of Psychology at Barry University, where she taught graduate and undergraduate courses on lifespan development as well as undergraduate research methods courses. She has supervised a wide range of master's theses and senior projects that have been published and presented at professional and student conferences regionally and nationally. She has been awarded funding for research from the National Institute on Aging and received the Barry University President's Award for Excellence in Research. She is the author and coauthor of articles on cognition and social cognition in older adults as well as on gender issues in various age groups. In addition to being the author of **WRITING WITH STYLE: APA STYLE MADE EASY**, she is co-editor of the book, **PSYCHOLOGICAL PERSPECTIVES ON HUMAN SEXUALITY** (John Wiley and Sons). She has been a member of the Gerontological Society of America (GSA), the Association for Psychological Science (APS), and the American Psychological Association (APA). She has also served as a Psychology Councilor for the Council on Undergraduate Research (CUR). Dr. Barbara Thomlison is a professor in the School of Social Work and director of the Institute for Children and Families at Risk at Florida International University. She obtained her Ph.D. in social work from the University of Toronto. Her academic experiences involve various undergraduate and graduate programs, where she teaches advanced clinical practice and family intervention courses. Her research interests include parenting programs, children at risk of maltreatment, family and youth violence, foster care, and early childhood interventions. Dr. Thomlison's extensive publications include articles, chapters, and books in the areas of child maltreatment interventions, parenting for effectiveness, family assessment, risk and resilience, foster care, APA style, forensic assessment, intervention in child sexual abuse, evidence-based internships, and designing evidence-based intervention search strategies. She is actively involved as a board member in local and national child welfare, foster care, and family service organizations. Her lengthy interdisciplinary practice history also includes services to children and families, as well as policy services research.
