Benjie Nycum : XY Survival Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised XY Survival Guide:

0 of 1 people found the following review helpful. One StarBy Bernie paul GreenJust drawings no really good pictures to look at1 of 2 people found the following review helpful. ExcellentBy D. GriffinI found this to be an excellent book with a lot of information in it. It goes into great detail covering a vast amount of different topics from drugs to first date. I really found it to be cool. I highly endource it.1 of 1 people found the following review helpful. Newer edition available.By William AshblessOK so there's nothing particularly bad about this guide, except that it was published in 2000, so it's very dated. The publisher and author later released an updated and expanded edition, which also served as an issue of their magazine, XY. Though this too is somewhat dated (2003), the articles are still quite interesting and

well worth reading. It's called XY MAGAZINE No. 39 SURVIVAL GUIDE 2. It's the better bet.

At last there's a guide that addresses the real needs of gay youth. The XY Survival Guide gives you the information you've been needing in a clear, honest way. Never before has so much info on being young and gay, bisexual, or questioning been so accessible. This is an essential item.

A fabulous place to start if you have just come out; a wonderful resource if you haven't yet done so. -- Mireille Silcott, author "Rave America" and "The Book of E" Extraordinary in its accessibility, The XY Survival Guide celebrates, not pathologizes, bois with same-sex attractions. Witty, intelligent, fun, approachable, dexterous... -- Ritch C. Savin-Williams, Professor of Developmental Psychology, Cornell University and author of "...And Then I Became gay" I need it and I'm not even gay! -- Rebecca Stone, Benjie's ex-girlfriend and best friend, middle school teacher
