**From The Enthusiast : You Better Watch Out: The Wisdom of Santa Claus** before purchasing it in order to gage whether or not it would be worth my time, and all praised You Better Watch Out: The Wisdom of Santa Claus:

"I'm not just a whimsical figure who wears a charming suit and affects a jolly demeanor. You know, I'm a symbol. I'm a symbol of the human ability to be able to suppress the selfish and hateful tendencies that rule the major part of our lives. If you can't believe, if you can't accept anything on faith, then you're doomed for a life dominated by doubt." So says Santa Claus in the 1947 film, *Miracle on 34th Street*, and we concur. We still believe in Santa, and we encourage others to do the same. We believe in what Santa stands for and so we made *You Better Watch out* to promulgate and celebrate Santa's message of generosity, kindness and jollity. Make no mistake this is propaganda of the best kind -
