David E. Newton : Youth Substance Abuse: A Reference Handbook (Contemporary World Issues) before purchasing it in order to gage whether or not it would be worth my time, and all praised Youth Substance Abuse: A Reference Handbook (Contemporary World Issues):

This text provides readers with an in-depth understanding of the essential aspects of youth substance abuse, an important contemporary personal, social, and public health issue. Presents individual perspectives on youth substance abuse issues that provide readers with a very personal outlook on specific aspects of the topic. Provides readers with broad coverage of current issues and topics in substance abuse by adolescents as well as a historical perspective of how this problem has developed in the United States over the past century. Includes a chapter of primary documents sourced from a number of laws and court cases dealing with various aspects of youth substance abuse.

"With the inclusion of data, legal documents, quality sources referenced throughout the book, and an annotated bibliography at the end, this source is a great starting point for research." - Booklist
"This text is a valuable resource for both general readers and undergraduate students as an introduction to and an overview of issues involving adolescent users. Summing Up: Recommended. Lower- and upper-division undergraduates; general readers." - Choice
About the Author: David E. Newton, EdD, has been a freelance writer of nonfiction books and ancillary materials for young adults for nearly 55 years.
